

# You're Invited to Learn About Early Class II Correction

Sponsored by *Ortho Organizers*<sup>®</sup>

## In this seminar you will learn how to:

- Achieve Class II Correction in an average of 3-4 months
- Control molar rotation and uprighting
- Correct Class II malocclusions, prior to bracketing, using the *Carriere<sup>®</sup> Distalizer<sup>™</sup>* Appliance
- Achieve patient cooperation through non-invasive appliance usage

**For more information regarding dates and locations for this course, please call 888.994.7343.**

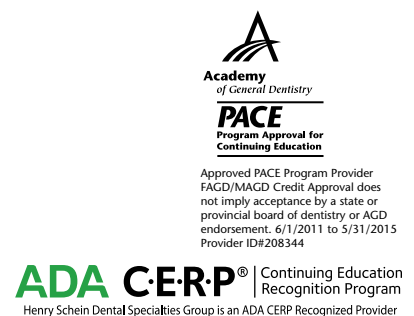

**Dr. Michael W. Ragan**

Dr. Ragan operates a private practice in Dallas, Texas. In 1997, Dr. Ragan graduated with honors from the Baylor College of Dentistry in Waco, Texas. He received his post-graduate training in Orthodontics from Nova Southeastern University in Ft. Lauderdale, Florida, where he served as Chief Resident. Dr. Ragan is a guest lecturer and past alumni president at Nova. He is a member of a number of professional associations including: Baylor's Odontological Honor Society, the AAO, and the Southwestern Society of Orthodontists.

2 CE credits will be offered for this event. Course tuition is \$49. Upon completion of the course, participants will receive a \$49 product credit (order must be placed with attending representative).
